

**BLESSINGS FOR POLITICIANS – IN OUR CITY, STATE OR ENTIRE COUNTRY**

---

January 2018

**In the Name and with the authority of Jesus Christ:**

- We bless **the politicians** in our land. We bless them and do not curse them.  
We resist the curse by blessing.
- We bless **the hearts** of all who serve as politicians in our city, state or land, such that any hardness in their hearts will be softened.  
We bless them, so that they will be receptive to the voice of the Holy Spirit.  
May they know the love of Jesus and be captured by his love. (Ephesians 3:14-19)
- We bless all those who earnestly desire **integrity**, with the power of honesty, and a hunger for righteousness. (Proverbs 2:7-8)
- We bless them and encourage them in their **God-given assignments** to lead a holy and blameless life, giving honour to God, filled with the love and grace he has freely given. (Ephesians 1:4-5)
- We bless the **conscience** of all who carry political responsibility with divine enlightenment. We bless their sensitivity of conscience such that they will be keenly aware of unrighteousness, abuse of authority, corruption and lies, and will expose ungodly behaviour and action.
- We bless their **political judgment** and pray for the Spirit of wisdom and revelation so that they will know what is good for our city, state or land in God's sight. (Ephesians 1:17)
- We bless the **relationships of politicians** with one another, that they will be built on friendship and understanding.
- We bless our **Federal Chancellor** and our **Federal President** with wisdom and strength in all their duties in high office.
- We bless all **members of parliament, ministers and others who hold office** with strength and humility, such that they do nothing out of self-interest or self-glorification, and not use their power to their own advantage. (Philippians 2:3-7)
- We bless all the **support staff** for politicians, such that they will be encouraged to use their capabilities to the full in assisting, organising or serving in any other way.
- We bless our politicians with **God-fearing advisors** who are filled with wisdom. (Daniel 1:17)
- We bless all the **negotiations and debates** between political parties. We bless the words which are spoken in agreement with God's will and his plans, such that they will reach the hearts of those who are listening where they can work powerfully and counteract all lies and words that are against God's will and his plans. (Acts 6:10)
